YORITOMO'S FIRST CAMPAIGN.

Yoritomo Minamoto (1148-1199) was a most powerful hero of the twelfth century in Japan. He selected Kamakura as the base of his military operations, and in the year 1192 the First Shogun of his family was established there. This picture, drawn by Mr. Yasuwo Kobori, shows Yoritomo as he set out upon his First campaign in the "Heiji-no-ran," the civil war in the first year of the Heiji Era.
