# ZEBB'S LAWS

- The restaurant is run for the enjoyment & pleasure of our guests, not the convenience of the staff or management.
- We hate soggy fries. If yours aren't crisp, the way you like them-send them back. Maybe the kitchen will get the message.
- Corned beef is tasty because it contains some fat. If you want lean corned beef-order turkey.
- Never, but never, play cards with anyone named Murray.
- This is a bad place for a diet-but if you insist on being in better shape than we are-just let us know & we'll fix you up with something.
- 6. Our portions-especially soft drinks, salads, desserts & fries-are excessive because nothing succeeds like excess. If you can't eat it all, we'll be glad to wrap it up for you.
- Our restaurant is reminiscent of a simpler time-a time when a meal couldn't be prepared in 90 seconds. We roast our own turkeys, bread our own onion rings, grind our own beef & hand-cut our own french fries & much more so you can enjoy the taste of those simpler times, without any of the work.
- 8. We bake all of our breads, rolls & cookies daily. In order to keep them fresh, we do run out occasionally as a result. It's not that we wanted to mess your day up.
- 9. At Zebb's, we're serious about food.... But not much else. Relax & have a good time!
- 10. Zebb's is an evolutionary restaurant-we thrive on your comments as to how we might improve the joint. Help us to make it your place, as well as ours!
