PORTER'S HISTORY TOUR

Many a beer has been poured at this location, which has been a 3.2% bar since near prohibition, *until 1981*. From *The Pretzel* in the 40's, *Big Al's Jazz Bar* in the 50's, to *Harold's* in the 60's, and to *Joe Houle's* softball bar during the 70's. However, the years had taken their toll, so the entire interior; walls, floors, ceilings, the whole nine yards, was delicately removed (with large sledge hammers) and rebuilt. The results are what you see now. We opened on March 14, 1981 as *Peanuts Pub & Chili Unlimited* and featured fine steaks, hamburgers, and the best chili(s) in the state.

However, for reasons still unknown to ourselves, we changed the name to

Porter's Bar & Grill in 1985. As it turns out, we believe the change was worth it.

We now feature a variety of reasonably priced and delicious selections.

THINGS YOU SHOULD KNOW

We honor American Express, Visa, Master Card, Diners Club and Carte Blanche (\$5.00 minimum).

We accept only local checks numbered over 1200 with picture identification, home and work telephone numbers for the amount of purchase and normal gratuity only.

A 15% gratuity will be added to groups of 9 or more.

A limit of two coffee refills with purchase under \$3.00.

State, local, convention center and sin taxes (or any other new ones that they might think up) are not included in prices.

Not responsible for lost or stolen articles.

Parking is available behind the building and also north of us at mid-block.
