Our 11" and 14" (feeds two) and 14" (feeds three) are available on either whole wheat or white dough. Both are crispy and thin.

Our rich homemade mozzarella is made in our own kitchen using traditional Italian methods.

Our ovens reach temperatures of 700 to 900 degrees. We burn only pure hard wood logs.

Buon Appetito!

Our imported wood burning ovens produce a crispy, crackly crust which may be very dark around the edges. It's a real treat for those of you who love home baked bread. Enjoy!

We are open seven days a week for lunch and dinner.

Relax and enjoy yourself, watch your pizzas being baked in our wood fired ovens, and play a game or two of bocce, a leisurely form of bowling enjoyed in Italy for many years.
