

Welcome to the Wishbone Cafe

We proudly serve generous portions of great American food at prices you just can't find anymore. If we don't serve it, it's probably un-American. Your satisfaction is guaranteed. If you don't like your first meal, we guarantee you'll like your second meal. If you don't like your second meal, you're really unlucky, because we're not that bad. However, if you're not happy, we're not happy, so please give us the opportunity to make it right.
