Dedication

We the graduating class of 1962 proudly dedicate the 1962 Johnsonian to Mrs. Joyce A. Dyer, teacher, advisor, and friend who has unselfishly imparted her knowledge and wisdom to us in and out of the classroom.

We wish to extend to you, Mrs. Dyer, our sincere appreciation for your help in making our endeavors at Johnson & Wales enjoyable, successful, and fruitful.

A Message From the Co-Directors

Each passing year brings another yearbook and another graduating class. The yearbook is a happy memento of friends and experiences during the time spent at Johnson & Wales. The graduation always has a bit of sadness attached. The parting of friends and the end of many good times. May your yearbook serve as a link in continuing your associations with each other and Johnson & Wales Business School.

The knowledge you have acquired, and the skills you have developed, we hope will lead you to a successful and prosperous future. But success in the business world will not necessarily assure you of happiness. It is the human element which determines this. May your yearbook help you to find both success and happiness.

...and won't it be your photograph that you and your grandchildren look for first?

That's a lot of looking ahead, but it illustrates the permanence... the interest... of a fine photograph. Fine photographs of you are our concern... a photograph you will proudly give as a personal present... a photograph you will look back on happily years from now.

We hope that when you want a fine photograph taken again, you entrust it to us - your official school photographer.
