OPEN THIS BOOK IN 1999

. . .and won't it be your photograph that you and your grandchildren look for first?

That's a lot of looking ahead, but it illustrates the permanence . . . the interest . . . of a fine photograph. Fine photographs of you are our concern . . . a photograph you will proudly give as a personal present . . . a photograph you will look back on happily years from now.

We hope that when you want a fine photograph taken again, you entrust it to us - your official school photographer.
