BENNETT'S SECRET

It's no mystery why Bennett's meals are so moist, tender and flavorful. Our pork ribs, chicken, pork and beef brisket are carefully basted and then slowly smoked over smoldering hickory logs for up to 14 hours, resulting in Killer-Q, the most tender, juicy, pink, smoked meats you've ever put in your mouth.

Each portion of Killer-Q is served directly from our hickory pit. Since everyone likes a different amount of our mouth waterin' sauce, we serve it warm on the side so you can pour on as much or as little as you like.

Our char-grilled steaks are selected from the finest grade of USDA aged beef and then are carefully cooked to provide you with the best steak around. Whatever you have, after you've savored the last bite, we know you'll agree that all the work we put into preparing your meal was well worth the effort.
