Major Impacts of COVID-19 on the Traditional Office:

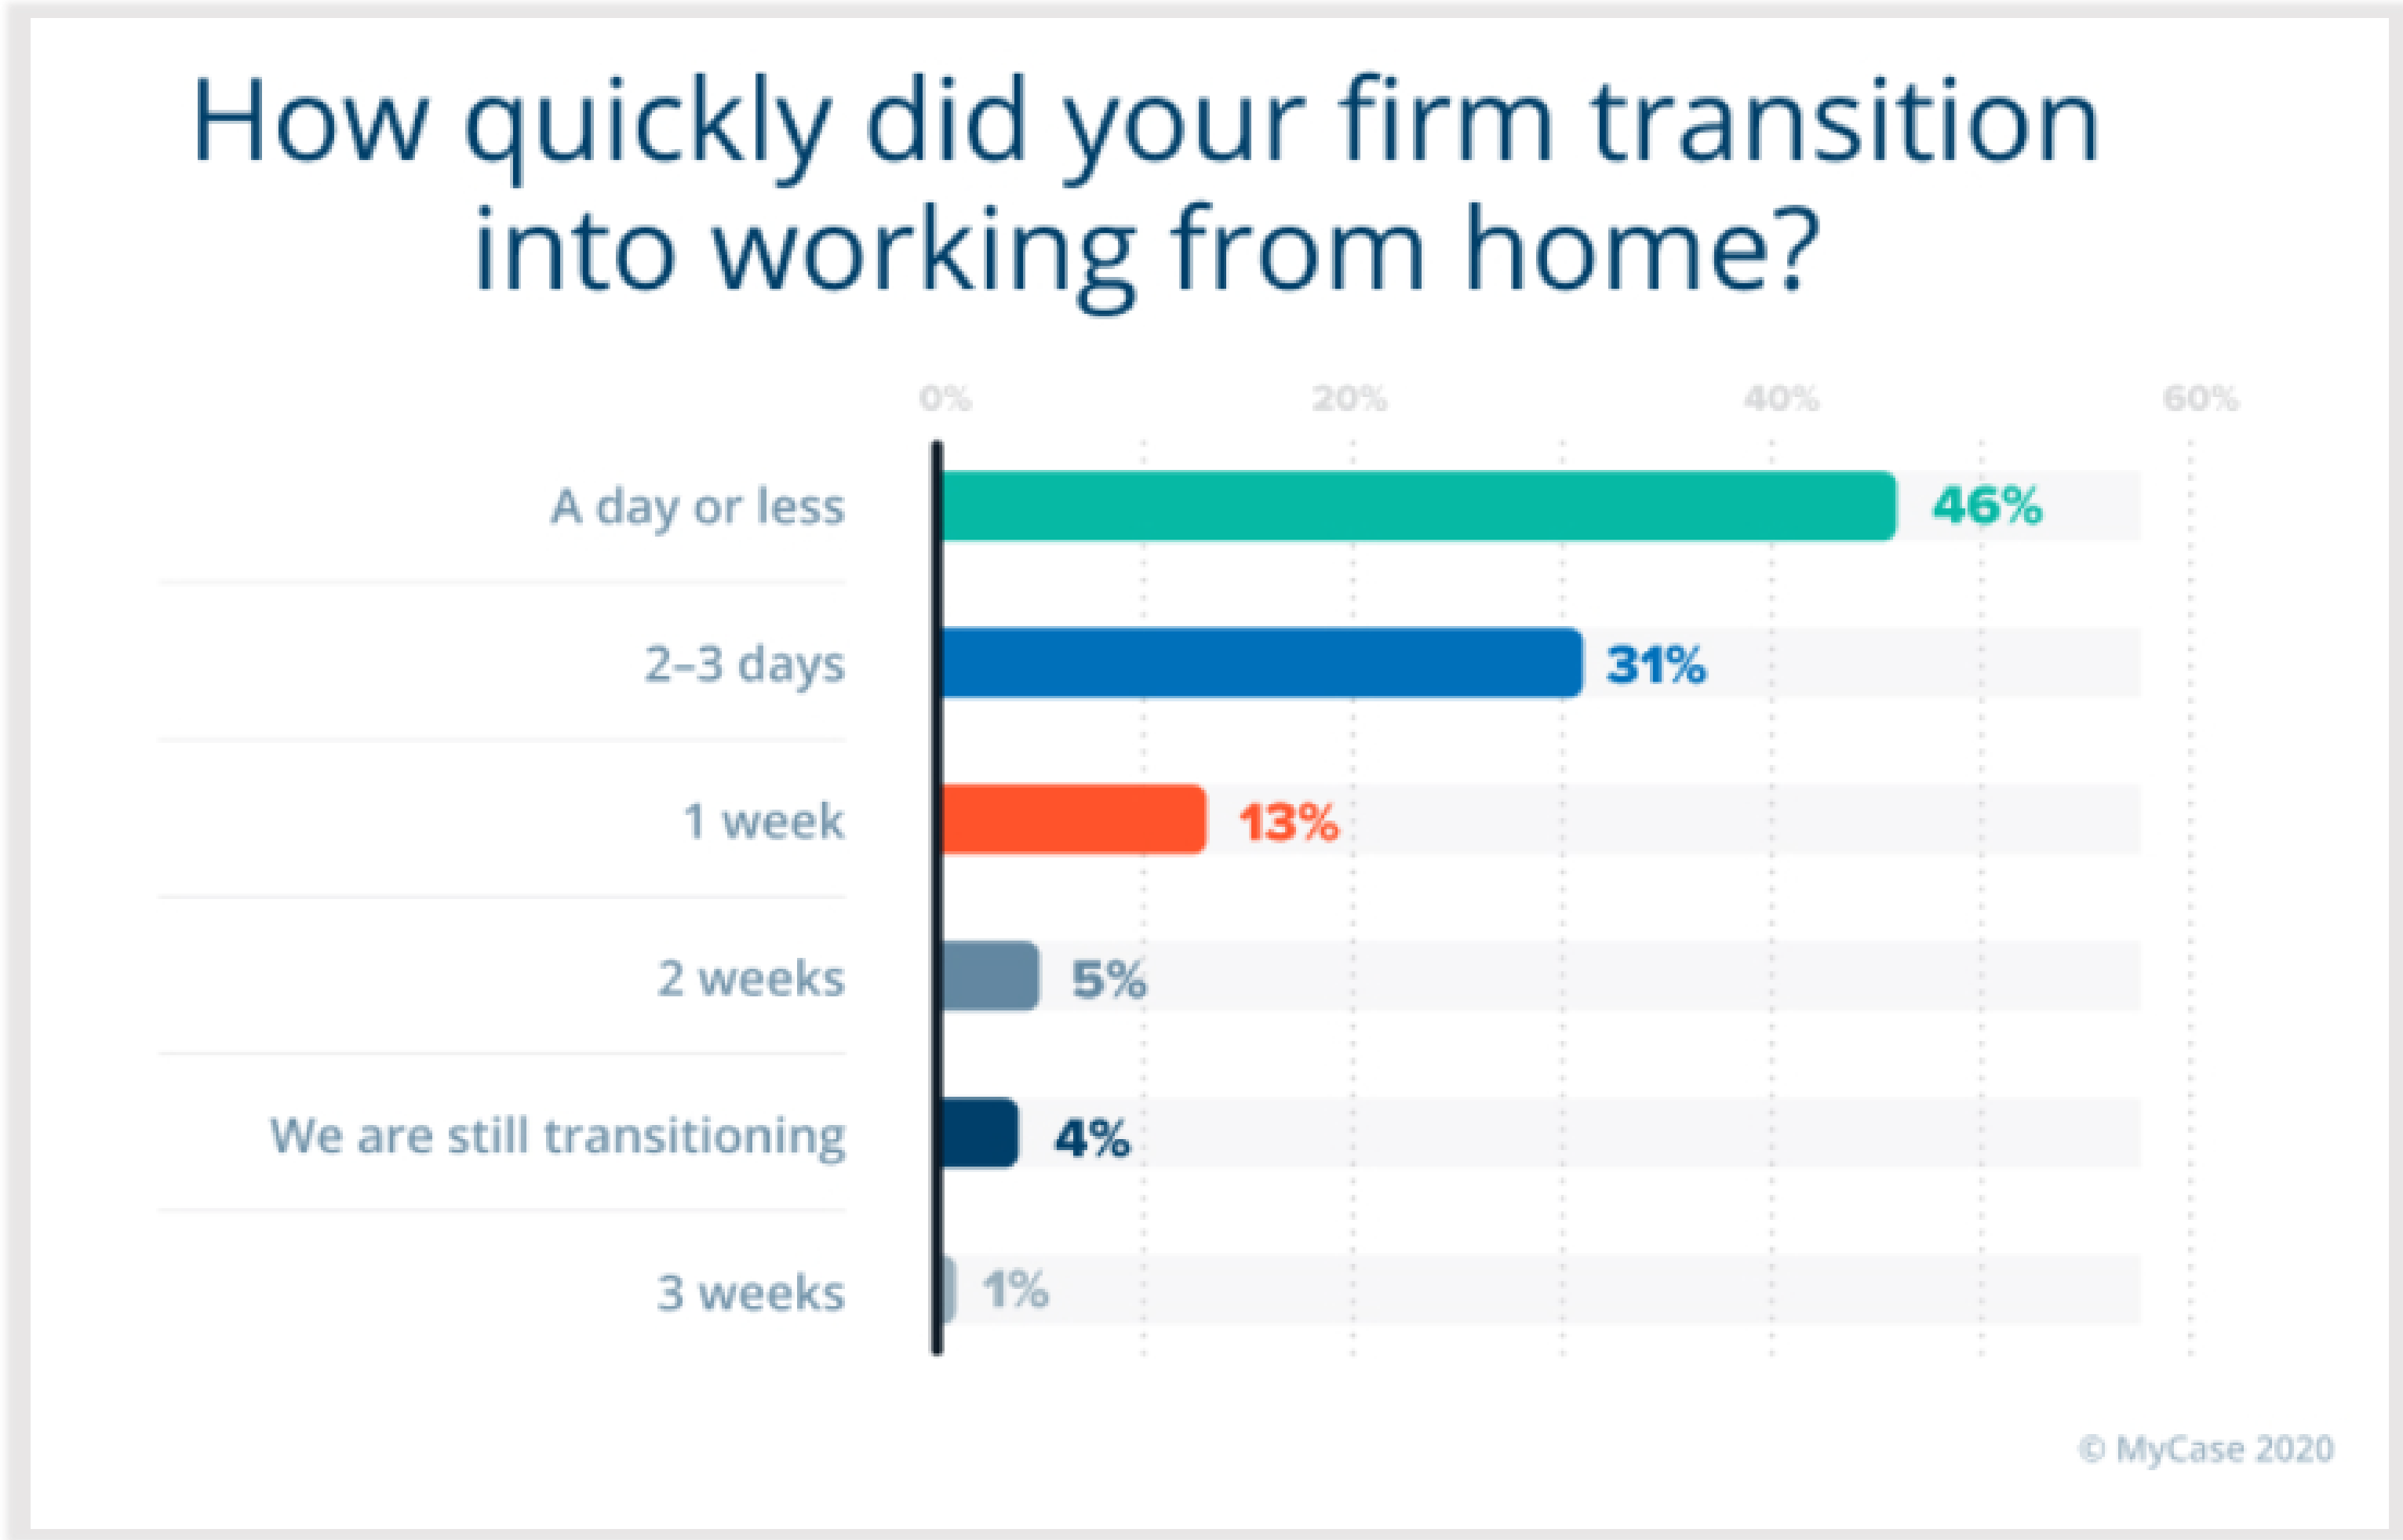

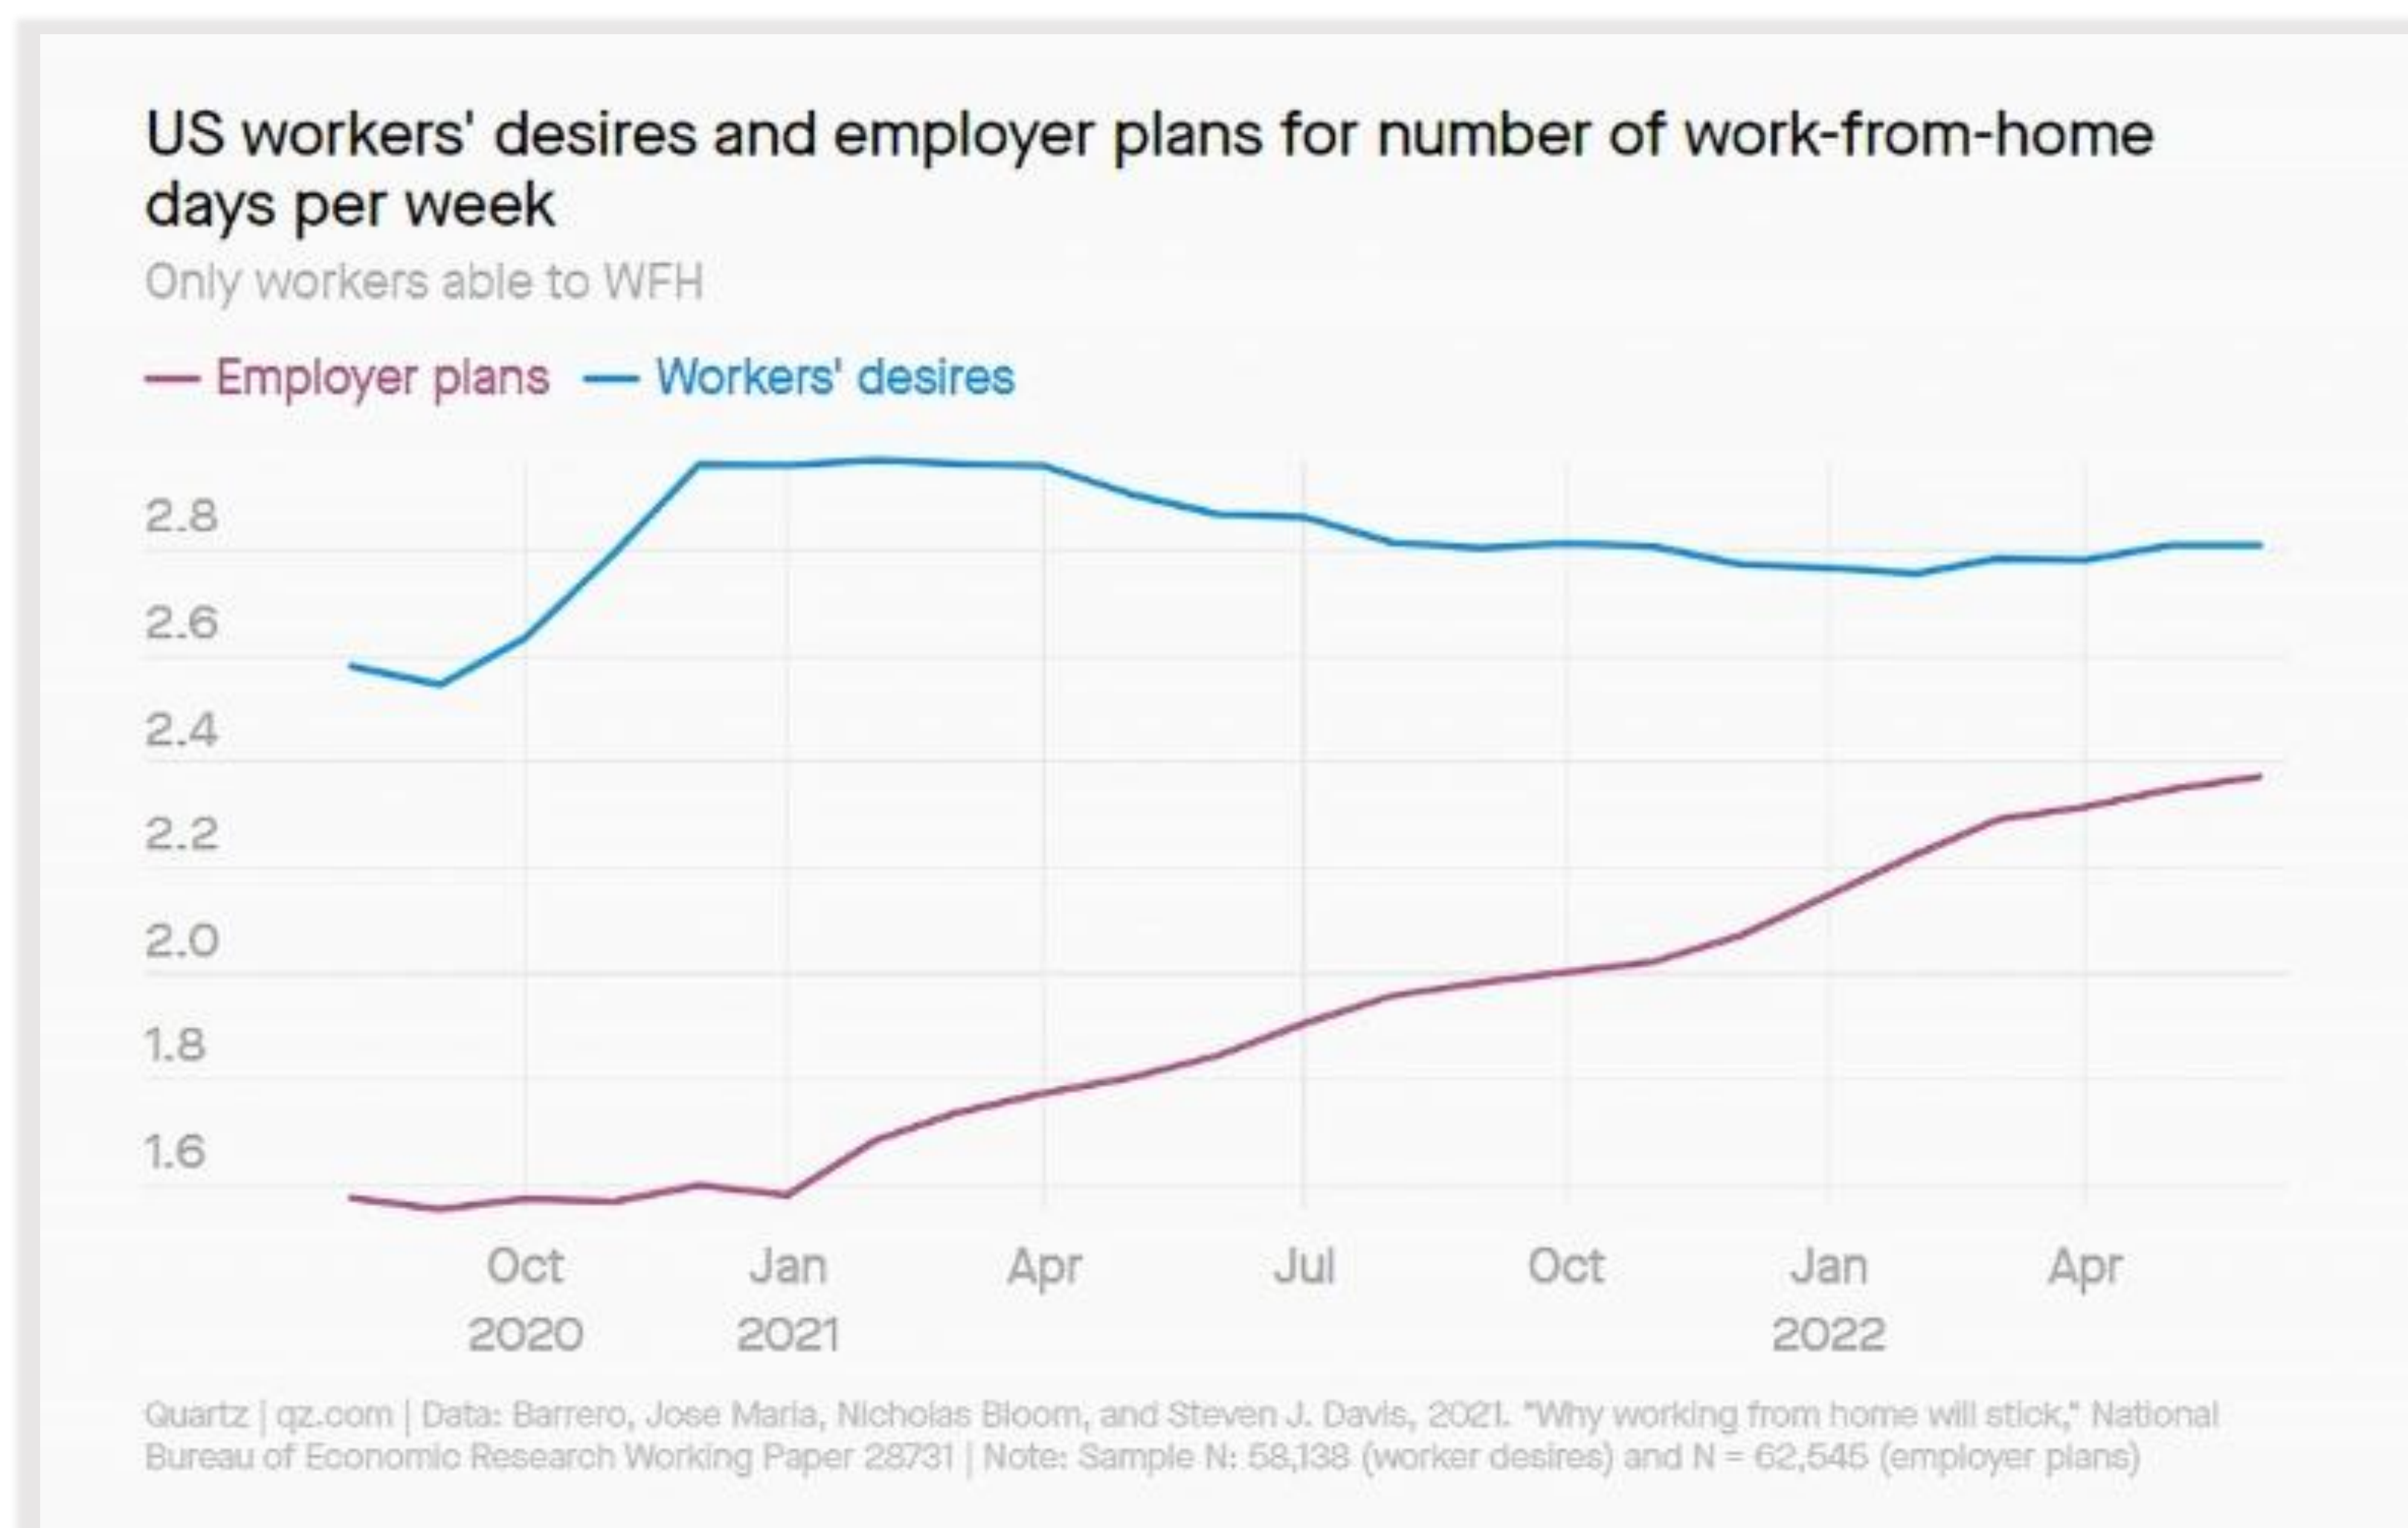

How Does It Work?

Faye Brandow BSBA, HR Management
Candidate 12/2023

The COVID-19 pandemic brought to light the fact that people can work from home and still achieve successful career goals. It also put a spotlight on the inequalities present in management structures.

Remote and Hybrid Work Environments

During the pandemic, working Americans had to quickly shift from in-office to remote work while maintaining productivity.

In 2022, employers began planning for increased availability of hybrid work schedules.
