THE FLEET of fast, modern automobile and passenger transports operated by the Virginia Ferry Corporation across Chesapeake Bay between Cape Charles and Little Creek, Virginia, offers the traveler the ultimate in speedy, safe, comfortable transportation for himself and his automobile. In design, construction, speed and appointments, these magnificent ships have written a new and brilliant chapter in the history of water transportation.

Ship-to-shore radio-telephone service is available on all ships of the fleet. Passengers may make person-to-person calls to any point in the United States while enroute.
