WHERE EVERYBODY KNOWS YOUR NAME

Coach's Corner

BOSTON CLAM CHOWDER £ 5.75

Creamy, steamy, full of clams, New England-Style "chowdah" served in a sourdough bowl.

NORM'S GIANT SOFT PRETZELS £ 3.95

Just like Norm, these pretzels are of softies and there's nothing small about 'em. Served with three mustard dipping sauces.

MAPLE-GLAZED CHICKEN WINGS £ 4.95

Eddie Lebec gave Carla his grandmother's recipe for this snack of spicy glazed wings served with cucumber dip.

BASKET OF CRUNCHY ONION RINGS £ 2.95

Woody brought this recipe with him from his hometown in Indiana. Everyone at Cheers agrees, with the cranberry ketchup sauce that comes with 'em, onion rings just don't get any better.

CARLA'S CAPE CRAB CAKES £ 5.95

Appropriately named, Sam makes these delicious cakes for Carla on those days when her crabbiness is a little too contagious. Two crab cakes with Calypso sauce always calm her down.

HOT SPINACH CHEESE DIP £ 4.25

Cliff swears that this bubbly hot dip with three kinds of cheese is the best east of the Hudson River Valley. He must be right. After all, he is the expert, especially when it comes to dips.

BOSTON BEER-BATTERED PRAWNS £ 5.95

Sam hit upon this great idea after Woody blundered the orders from the brewery and the fishmarket. Having more beer and prawns than he could store, Sam made the best of the situation and now he can barely meet the demand for these fresh prawns fried in a Samuel Adams beer batter. Served with apple horseradish.

Woody's Garden

CLASSIC CAESAR SALAD £ 5.45

With Chicken or Prawns add £ 1.50

Romaine leaves, shaved parmesan and fresh toasted croutons. Frasier orders this when he ponders schemes of conspiracy and revenge against Lilith for making his life miserable. "Et tu, Lilith."

WOODY'S GARDEN SALAD £ 4.95

You can't fool an Indiana farm boy when it comes to fresh, delicious salads. This one comes with maple-dijon dressing or cranberry vinaigrette.

"I know you all think Cliff's a weird guy, but in his defense, he'll probably never reproduce."

Peterson's Chargrilled Pizzas

Carla was lucky if she could get these orders past Norm and Cliff without a few slices missing!
£ 12.95 For Two

SAM'S DAILY SPECIAL PIZZA

Woody will tell you, the more things change, the more they stay the same. Ask about today's pizza selection which is always different, but always the tastiest in town.

GRILLED VEGGIES AND VERMONT BRIE

New England vegetables and that sophisticated taste of brie cheese and pesto makes this Frasier's preferred pizza.

GRILLED CHICKEN AND MOZZARELLA

The recipe for this thin crust pizza topped with grilled chicken, fresh plum tomatoes and fresh basil comes straight from Italy. It usually sets Rebecca daydreaming about the Italian villa she and Robin will share one day.

Sam: "Let's hang him in effigy."

Coach: "The hell with that, let's hang him right here in Boston."

Sammy's

All sandwiches are served with your choice of French Fries, Veggie Chips or Garden Salad

ROAST TURKEY ON SOURDOUGH £ 6.95

Woody's favorite. The cranberry mayonnaise and turkey combination reminds him of Thanksgiving holidays at the farm.

GRILLED VERMONT HAM AND CHEESE £ 5.95

According to Cliff, there was an ancient Mayan tribe who worshiped a "God of ham and cheese." This sandwich with maple-cured ham, cheese and dijon mustard is also a New England favorite. Although Cliff would dispute its origins.

CORNED BEEF REUBEN £ 6.95

The sheer mention of the name Reuben reminds Coach of an old friend. His name was Joe. Nobody could figure this one out either. But Coach devised such a delicious sandwich of thinly sliced corned beef, tangy sauerkraut and cheddar cheese that it doesn't really matter anyway.

CARLA'S NEW ENGLAND ALL-BEEF BURGER £ 6.95

No one seems to know exactly why Carla's got so many "beefs," but we named this classic 7 oz. all-beef hamburger after her anyway.

Mushrooms, Peppers or Onions £ .50 each

Bacon, Brie, Cheddar or Mozzarella £ .50 each

GRILLED CHICKEN SANDWICH £ 6.95

Diane came up with this one in college and would not have been accepted into the sorority without its recipe. It includes grilled chicken and vegetables with glazed smoked cheddar on a ciabatta roll.

GARDEN VEGGIE SANDWICH £ 5.95

Marinated grilled vegetables topped with brie cheese on a toasted roll. Lilith swears by this to keep one's mind keen and one's body healthy.

GRILLED U.S. SIRLOIN STEAK SANDWICH £ 7.95

Being the steak-and-potatoes guy he is, this is Norm's favorite sandwich. Served on a toasted ciabatta roll, it's a lunch he can really sink his teeth into.

CHEERS WRAP SANDWICH £ 5.95

This special changes daily, as does Rebecca's mood. But it's always on grilled bread and stuffed with her favorite ingredients.
