IMPORTANT THINGS TO KNOW

1. For explanation of the pictures and things decorating the walls, talk to anyone. If they don't know, they'll invent something.
2. The customer is always right — unless of course they are wrong. Rick's mother will decide who is right, and she's a mean old broad.
3. Remember, you have to ask for your check. It is rude to rush you.
4. We don't mind complaints. (What drives us crazy is constructive criticism).
5. If we forget to return your driver's license, we'll mail it — Sorry!
6. There are limits on several of our drinks, those big jobs, have 4 oz. of booze and a limit of 2 per person. Half Yards have a 3 each limit and full yards are 2 each.
7. Oh, by the way, if you're careless and break the glass, you might have to pay for it.
