Best of Westword
Welcome to Bastien's,
Our family would like you to sit back and enjoy over 85 years of food and dining. In 1927 the Bastien family purchased the "Moon Drive Inn" located at the corner of Colfax and Madison. The "Moon" quickly became a favorite hang out for young and old alike. Such famous people as Truman Capote made a stop at Bastien's. In 1958 with the many changes beginning in Denver the "Moon" was torn down and the restaurant you are now enjoying was built. Opening in January of 1959 Bastien's was an instant success. We now boast Best of Westword, "One of Denver's best kept Dining Secrets", from 5280 magazine and CitySearch.com Best Steak Award. We think Thom Wise of the Rocky Mt. News sums it up best, "...Home style cooking with Love".
