

SCOTTY'S BREWHOUSE

est. 1996

Welcome to Scotty's Brewhouse (Owned & operated by Scotty, himself). A spoiled boy, he grew up vacationing to all ends of the United States. Scotty has dined with the high-rollers at Spago's in Las Vegas, he jammed at the grunge restaurants in Seattle and even worked a few Summers at the Sunset Restaurant & Lounge, in Panama City, FL (A wonderful seafood buffet and cakes and pies that, "make your tongue slap your brains out.") These extensive travels often meant that three- and four-star restaurants became Momma Wise's home cookin'. And Scotty and his sisters didn't mind at all. Who would have thought that one day Scotty would be wearing the goofy white hat, cooking in the kitchen. But he is...

And so I personally thank you for choosing Scotty's Brewhouse. Sit back, relax, kick your feet up on the chairs and let us take care of you for the next few hours. The food is hot, the beer is cold, the pies are homemade and the smiles are genuine! We hope you tell a friend and come back to see us real soon. Thanks for dining at Scotty's.

Sincerely,

Scotty
