

There has never been a better time to drink wine. It is being produced in a wide array of styles, offering an unprecedented level of fun and pleasure. Our wine program has been designed to make the most of this.

The wine list is organized by flavor profile, varietal, and theme. This allows you to chose how you would like to read it. Skim along the right side of each page to select a wine based on varietal or flavor profile. Alternatively, take some time to read the text on the left hand side of the page and select a wine based on a theme.

Finally, we invite you to engage both your server and sommelier in dialogue about the wine list.

TABLE OF CONTENTS

by flavor profile

WINES BY THE GLASS

TAJUT

The "Tajut" is an essential aspect of the Friulian wine experience. Historically, a farm worker would drink the "Tajut", a small glass of Tocai Friulano, with his meal at the local Frasca. It is a part of daily life in Friuli; experienced with the regularity we reserve for the morning cup of coffee.

At Frasca we would like you to experience the "Tajut". All of our wines by the glass are available as a 3-ounce pour, the equivalent of a half-glass of wine.
