## CHART HOUSE MUD PIE

4<sup>1</sup>/<sub>2</sub> oz. chocolate wafers  
1/4 cup butter, melted  
1 gallon coffee ice cream, soft  
1<sup>1</sup>/<sub>2</sub> cups fudge sauce  
diced almonds

Crush wafers and add butter. Mix well. Press into a 9" pie plate. Cover with soft coffee ice cream. Top with cold fudge sauce. (It helps to put the fudge sauce in the freezer for a while to make spreading easier.) Store the Mud Pie in the freezer for approximately 10 hours before serving.

*Presentation:* Slice the Mud Pie into eight portions and serve on chilled dessert plates. Top with whipped cream and diced almonds.
