

FLANIGAN'S®

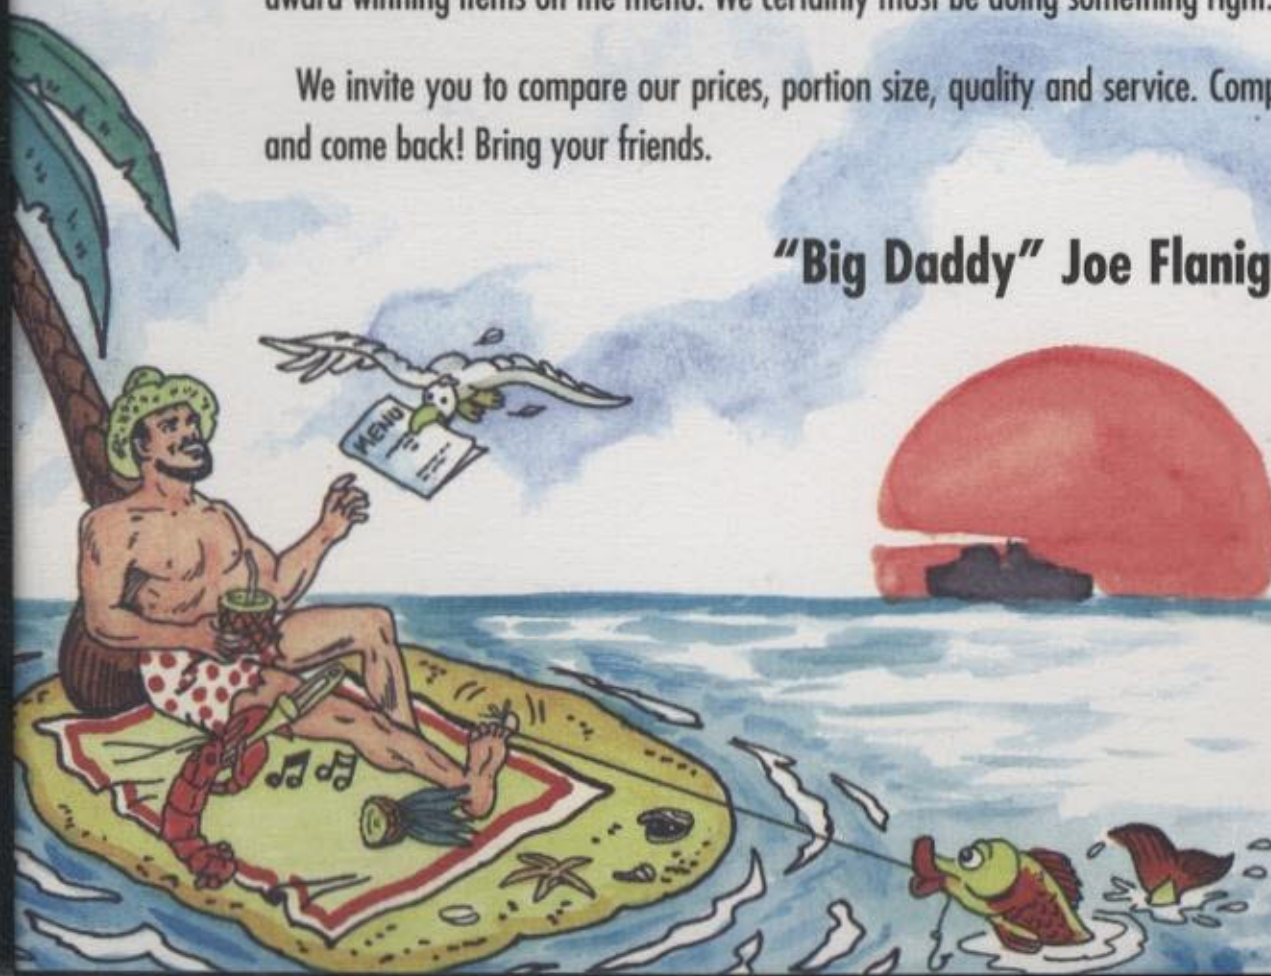

SEAFOOD BAR AND GRILL

In 1985, my oldest son Patrick converted the old Big Daddy's Lounge on Atlantic Boulevard, Pompano Beach, into Flanigan's Piranha Pat's Seafood Bar & Grill. Since that day, we have grown to 17 restaurants.

We are very proud of our Award Winning menu. Our Baby Back Ribs won an award at the first Barbeque Rib Cook-off for Dade and Broward Counties at Gulfstream Race Track. Our Chicken Wings won an award at the 4th annual Y-100 Wing Ding. And, Flanigan's in Boca Raton was voted as having the best Burger in the area. I don't know any other casual dining restaurant in our area that has three award winning items on the menu. We certainly must be doing something right.

We invite you to compare our prices, portion size, quality and service. Compare and come back! Bring your friends.

Chicken Fingers4.99

A half dozen, large chicken tenders made from real chicken (not the fake manufactured stuff). The name was derived from the last action of the donors.

Loaded Nachos4.99

(No, not the condition of the cook who invented this item.) A mind-boggling amount of chips, chili, pico di gallo, Jalapeños, lettuce, cheese, guacamole, and sour cream, stacked higher than tall buildings in a single bound. The most common reactions to this item are: "ooh," "aah," "wow," and "Where am I?"

Garlic Rolls1/2 Doz 1.49 Doz 2.29

Cute little, golf ball size rolls, ideal for applying butter and garlic to your chin. While in the general proximity of your mouth, eating is also recommended.

Potato Skins3.99

The skin of Idaho potatoes, surgically removed and reconstructed with cheddar cheese and bacon bits, to produce melt in your mouth potato skins.

French Fries1.49

3/4 pound of seasoned french fries. These fries have an appealing shaped exterior, and an interior that's smoldering for your pleasure. Finally the name makes sense.

Tumbleweed Onions2.99

THE GOOD NEWS - these are the lightest, tastiest battered onions you've ever tasted.

THE BAD NEWS - you may experience an uncontrollable urge to roll around in the sand!

A rare delicacy, due to the extreme difficulty of lighting up under water. Served with carrots, celery, saltines and fresh-made chips.

Jalapeño Poppers4.99

Deep fried Jalapeño peppers, hollowed out and stuffed with cream cheese! (sorta like King Kong dancing with Bambi!) Name developed from strange addiction in which Patrick Flanigan carried them in his pocket, and "popped" them like breath mints!

Dolphin FingersM.P.

An age old recipe dating back to when fish had hands! Fresh dolphin strips, deep fried and served with tartar sauce and lemon.

Peel & Eat ShrimpM.P.

Price is significantly reduced due to customer's labor. One dozen large shrimp served chilled on a bed of ice with cocktail sauce.

SteamersM.P.

Tender middlenecks, steamed in wine, lemon, garlic, and butter. Don't even think about eating just one dozen!

Mozzarella Sticks3.99

WAYTOOBIG SANDWICHES

All sandwiches served with seasoned french fries.

Barbecued Chicken Breast5.29

Pretend you're at a backyard barbecue. Pretend it started raining. Pretend you went to Flanigan's for a mouth-watering, charbroiled, chicken breast sandwich. Stop Pretending!

Philadelphia Cheese Steak5.99

Just like they sell at the corner of 2nd and South in downtown Philly. Ben Franklin's original recipe (minus the kite strings!), with plenty of sauteed beef, onions, mushrooms and melted Swiss cheese.

Chicken Philly5.99

The same as above except substitute chicken for the beef (and feathers for the kite strings). This would be our #1 selling sandwich, except it was afraid to accept the recognition.

Fresh Dolphin SandwichM.P.

Blackened, deep fried, or grilled, this fish sandwich is as fresh and juicy as you can get without using a pole and bait. Served on a kaiser roll with lettuce, tomato and tartar sauce.

Teriyaki Chicken Breast5.79

Originally prepared by Benjamin Yaki and his son, Terry. Tender chicken breast, marinated in Teriyaki sauce, chargrilled, and covered with melted swiss cheese and two strips of bacon.

HALF POUND BURGERS

These are a full eight ounces of charbroiled beef. DO NOT attempt to lift this burger with one hand without extensive strength conditioning. All selections served on a toasted kaiser roll with lettuce, tomato, pickle and seasoned french fries.

Caesar Burger5.49

If you like Caesar salad, and you like hamburgers, you have just found the culinary answer to "one stop shopping"! An outrageous combination featuring romaine lettuce, shredded parmesan cheese, bacon bits, and a sharp caesar dressing, along with our award winning burger.

Flanigan Burger5.49

Covered with sauteed onions and mushrooms, plus 2 slices of Swiss cheese. This is our most unique burger, so we used our massive intellect to come up with a totally original name.

Bahama Burger4.99

The perfect burger for the "hamburger purist" i.e. no "junk" to get in the way of that all beef flavor, charbroiled to perfection.

Caribbean Burger5.49

Smothered with our special barbecue sauce, melted cheddar cheese, and two strips of bacon. The "Caribbean" part is that you forget about everything once you've eaten this burger!

Big Daddy Burger5.29

The ultimate cheeseburger - 2 slices of American cheese added to the Bahama Burger! This burger is partially responsible for the "Big" in "Big Daddy!"

PASTA

All entrees come with FREE cole slaw upon request.

A dinner caesar or a deluxe dinner salad may be added for \$1.79 with the order of any entree.

Joe's Chicken Fettucine8.99

An absolute original! Tender chicken cubes sauteed with mushrooms, broccoli and red and green peppers, then tossed with Joe's way good homemade fettucine sauce and noodles, and served with garlic rolls. This recipe is so Italian that some of our restaurants have actually started leaning!

Cajun Chicken & Pasta7.99

Tender blackened chicken strips, tossed with sauteed veggies and linguini, in a slightly spicy cajun sauce and served with garlic rolls. If you like spice in your life, but not a seven alarm fire, this is the perfect choice!

Shrimp Scampi10.99

A dozen plump shrimp, sauteed with hearty amounts of garlic, onions, lemon, and butter, tossed with parmesan cheese, and served over a bed of dirty rice or linguini with garlic rolls. A cup of scampi butter is provided to dunk your rolls, shrimp, pasta and fingers! Live it up!!

Lemon Chicken & Pasta7.99

The little known nickname of Walter Mitty, who was always afraid to return his faulty automobile. Tender chicken breast sauteed in butter, then covered with a lemon pepper cream sauce, and served over linguini with garlic rolls.
