DRINK, DRINK, AND BE MERRY

SAKE COCKTAILS

First brewed in Japan 1000 years ago as a sacred offering to the gods. Served hot or cold, sake is brewed like beer from polished rice extracts from the core of the grain. It is non-carbonated and low in calories and contains 7%-14% alcohol.

QUALITY PLEDGE, REFUND POLICY AND RULES TO LIVE BY:

We strive to bring to you the freshest, newest and most obscure beers and styles from local and exotic micro breweries as well as beer produced from all corners of the world. BREWING IS AN ART! All beers are different, and we encourage you to be adventurous, BUT we do not refund. We work closely with breweries and distributors and check dating codes to bring you the freshest and newest brews. PLEASE DRINK RESPONSIBLY!! If you must drink and drive, drink rootbeer!! FRIENDS DON'T LET FRIENDS BEER GOGGLE!! Remember, life's too short to drink cheap beer, and it's not just for breakfast anymore! CHEERS!
