**Zebb's Laws**

1. The restaurant is run for the enjoyment & pleasure of our guests, not the convenience of the staff or management.
2. We hate soggy fries. If yours aren't crisp, the way you like them-send them back. Maybe the kitchen will get the message.
3. Corned beef is tasty because it contains some fat. If you want lean corned beef-order turkey.
4. Never, but never, play cards with anyone named Murray.
5. This is a bad place for a diet—but if you insist on being in better shape than we are—just let us know & we'll fix you up with something.
6. Our portions—especially soft drinks, salads, desserts & fries—are excessive because nothing succeeds like excess. If you can't eat it all, we'll be glad to wrap it up for you.
7. Our restaurant is reminiscent of a simpler time—a time when a meal couldn't be prepared in 90 seconds. We roast our own turkeys, bread our own onion rings, grill our own beef & hand-cut our own french fries & much more so you can enjoy the taste of those simpler times, without any of the work.
8. We bake all of our breads, rolls & cookies daily. In order to keep them fresh, we do run out occasionally as a result. It's not that we wanted to mess your day up.
9. At Zebb's, we're serious about food.... But not much else. Relax & have a good time!
10. Zebb's is an evolutionary restaurant—we thrive on your comments as to how we might improve the joint. Help us to make it your place, as well as ours!
