**Specials**

**How not to get burned at the steak (or burger in this case)**

Rare...
- A classification for lean steaks and burgers.
- We just knock the horns off, Scarred and heated, the center is still bright red but
- it ain't raw.

Medium rare...
- (ok, these shades of distinction) Rather reddish.

Medium...
- A popular size in shirts and a burger that
takes a moderate line. Burger and grill get
more acquainted, still juicy and a little pink
at the middle.

Medium well...
- (more of these distinct shades) surrendering
the pink.

Well done...
- Any performance deserving of an encore and,
of course, a burger. No newcomer in the grill,
the burger is more worldly, perhaps jaded;
the pink of savant is gone, still juicy, but
we're talking cooked.
