A bit about us...

The year was 1927 and Lake Mohawk was on its way up. Carl Malmquist opened "Carl Malmquist Restaurant" in this building. In 1937 Fred Krogh purchased Malmquist's and the name Krogh's Restaurant and Tap Room has lasted ever since.

Since the 1930's Krogh's has seen many changes. It has gone through many cycles and has always remained a landmark to Sussex County.

Today, we at Krogh's take great pride in offering the finest food and service possible. We enjoy creating a warm, friendly atmosphere and want to make your dining experience a memorable one.

We offer you a full selection of fine food and drink. Take time to sample our unique beer selection as Krogh's has long been known for fine beers. All of your food is cooked to order, so please be patient. We welcome all comments and suggestions to help serve you better.

We hope you will dine with us often.
