

COFFEE MILL

Wisconsin's Best Coffee

As you are probably aware, coffee is a stimulant. And for centuries, what it has mainly stimulated is conversation. Politics, religion, office gossip, the social relevance of The Three Stooges, you name it. It's no doubt been discussed or debated over a long, hot cup of coffee. And now, as you may have gathered from that majestic Cappuccino urn that adorns our restaurant,

Marc's is proud to serve a selection of specialty Gourmet Coffees. Dark-roasted and flavored coffees made from the finest World Class beans — originating in the mountains of Kenya, Hawaii and other pristine locales. Do try a cup. Nothing caps off a good main course like a little inspired discourse. Water-processed decaffeinated is available in some of our coffee selections, at no extra charge.

Café au Lait

If Café Latte sounds good but you prefer a dark roast coffee, this is it. Because that's what we start with - rich roasted beans layered with steamed milk. \$1.99

For an extra 30¢, add a hint of vanilla, mint, hazelnut or almond flavor to either Café Latte or Café au Lait.

Café Mocha

Gourmet Coffee taken to yet another dimension. First, we pour just enough chocolate mocha syrup to coat the bottom of the cup. Followed by a shot of intense espresso, and a blast of freshly steamed milk. Then we cap the whole thing off with a swirl of whipped cream and chocolate sprinkles. Absolutely as much decadence as will fit in a cup. \$1.99

Café Mocha Mint

This is the same as Café Mocha, with a distinctive touch of mint added. Just think of this as an after-dinner mint. Or an after-breakfast or after-lunch mint, as the case may be. \$1.99

Gourmet Coffees

Once you try one of our premium coffees you'll discover cows aren't the only thing memorable about Wisconsin. The aroma of our gourmet beans which are ground fresh each day are tempting a lot of noses. Ask your server for a complete listing or for today's flavors. \$1.29 each

Espresso

For coffee lovers who prefer the deepest flavor and most intense taste. Our select premium coffee beans are roasted to the maximum degree to produce the most distinctive, aromatic flavor. Your typical grocery-store canned coffee it's not.

Single \$1.59
Double \$1.99

Cappuccino

We begin with our full-bodied, intense espresso, with a caramelly sweetness and roasty tang. Then we add a generous helping of steamed milk topped with frothed milk. As close as you can get to the cappuccino served in European cafes, without a transatlantic plane ticket.

Single \$1.99
Double \$2.49

Café Latte

Similar to cappuccino, it begins with perfectly-brewed espresso. Next, we add milk that's been steamed to a temperature of 160 degrees. The result is a rich, nutty taste unlike any other cup of coffee. \$1.99

Coffee Beans To Go.

Visit our coffee counter and take a bag of your favorite gourmet coffee beans with you.

Origins

No one knows for sure who picked the first coffee bean. Some believe it was discovered by a Middle Eastern goat herder. Others credit its discovery to an exiled Arabian priest. But all that really matters is your discovery — when you taste your first sip of Wisconsin's best coffee.

BREAKFAST

All eggs are farm-fresh AA large. You choose how they're prepared. As for toast, tell us whether you prefer Seven Grain Wheat, Marble Rye, or Grecian White Bread. In place of toast you may choose from English muffins or biscuits. Bagels available for just 45¢ extra.

① All American Breakfast

Two farm-fresh eggs, two sausage links and two sizzling strips of bacon, plus a hearty stack of pancakes and your choice of fresh juice. A truly American meal that rates 4 stars. And several stripes. \$4.49

② Ranch Breakfast

Two eggs, golden hash browns, and your choice of sausage, bacon, or ham, hot off the griddle. One of the best morning round-ups this side of the Pecos River. Or Lake Wissota, anyway. \$4.79

Not your ordinary wimpy French toast. Four extra-thick slices, generously sprinkled with powdered sugar. Choose from our prized sausage, bacon, or ham, or either apple raisin topping or strawberries and whipped cream, piled high. \$4.49

◆ ⑦ Belgian Waffle

Say what you will about those Belgians, they make a mean waffle. And you can get a faithful re-creation right here in Wisconsin. A thick, fluffy waffle, with your choice of sausage, bacon, or ham, or either apple raisin topping or red-ripe strawberries and whipped cream. You'll never get a waffle like this from a toaster. \$4.49

Not just for long-haul truckers, this hearty breakfast features a juicy sirloin steak charbroiled to your desire, accompanied by two fresh eggs and hash browns. This oughta get you through the morning. \$6.29

CAPPUCCINO

Over the centuries, coffee has been considered a food, a medicine, a wine — even an aphrodisiac. Well, we can't say with certainty that cappuccino will make anyone fall head over heels in love with you. But there's an extremely good chance that, after one taste, you'll fall madly in love with our cappuccino.
