Preparation Note • It's our custom to deep fry seafood entrees until they're a crisp, golden brown. However, we can steam your order if this is your preference. Many people feel that the healthful aspects of steam preparation outweigh the time factor, which can be considerably longer. Please advise your server.

About Servings • You'll probably find our standard serving size to your liking if your appetite is average or better. On the other hand if you're accustomed to a relatively smaller entree, we suggest that you order a *small portion*. Any of the preceding entrees can be ordered this way. The cost, including potato, vegetable, rolls, muffins and butter is \$4.39. Be sure to advise your server if this is your wish.
