The Meet Market Pub is a place of entertainment, where you can meet old and new friends, in a casual, relaxed & fun atmosphere.

In the 1960’s, this building was originally a true meat market with a butcher shop and sales counter, the meat rails can be observed overhead in the bar areas, thus the name “Meat Market” was appropriate.

Following the original purpose, the building was modified into a restaurant/bar by adding on the basement area, now called “The Dugout” and the upper level referred to as “The Loft” and the business was re-named “Meet Market” where people meet. Continuing the tradition, in 1993 the words The & Pub were added becoming “The Meet Market Pub”

Over the years, the building has been a constant favorite to it’s patrons and today you’ll find a sports bar flair with memorabilia from the past that make up the colorful atmosphere for you to enjoy.

Pool tables, lottery games, darts, live entertainment, karaoke, trivia and special events are just a few of the amenities we provide; these combined with our great food, micro-brews, beer, wines & cocktails is our recipe to make your stay an exciting adventure.

The Management and Staff here at “The Meet Market Pub” wish to make this the place where you & your friends like to “meet”.

Thank you and enjoy your stay.
