

The caffe Dolce Vita is the realization of a young Italian man who felt the need for an authentic Italian "Caffe." Gianfranco Marrocco (better known as Gian) was born in Cassino, Italy. He has spent many years in both countries; therefore, he has created an ambience that is perfect for its clientele. Caffe Dolce Vita is a full service coffee shop and bar. The aroma of the "espresso" pervades the beautiful De Pasquale Square which evokes the wonderful memories of sitting at an outdoor caffe in Rome. The pastries or "dolci" as they're called in Italian are imported from Milan. The "Coppa Dolce Vita" or the "Frutta di Bosco" are only two of the luscious desserts that await you. Add to this, authentic "gelati" and Italian music and I defy anyone to feel that they are in the U.S.
