N.A. — A.C. Cafe

"BIRDS EYE VIEW OF BOSCOBEL"

Dwight Parker, a local businessman, had this building erected in 1869. It is the first stone structure to use the Italiante style, which dominated the designs constructed in the next decade.

Dwight Parker moved to Boscobel in 1857 from Lancaster. He organized the First National Bank of Boscobel in 1871, and located it on the second floor of this building. More recently,

Gasser Hardware conducted business here until 1969.

The Unique Cafe was moved to its present site, the Parker building, from the north side of Bohlman Drug. The Unique Cafe has been operating in town since the early 1930's.

Current owners Nancy and Doyle Lewis bought the cafe in 1983. Doyle specializes in home style food and is known for his hearty soups.
