Hood River is a town of exceptional beauty. Founded in the early 1800's, Hood River was originally the main export for timber and agricultural farming. Still to this day Hood River is a large exporter of both however, it has since broadened its revenue. In the last 20 years, the discovery of its natural beauties and wonders have caused tourist to flock to the Columbia River Valley by the thousands. Windsurfing and other outdoor sports have given people the reason to return year after year to embellish themselves in the natural wonders and beauty Hood River has to offer.
